PUBLIC NOTICE

PRESENTATION OF PRELIMINARY DESIGN OPTIONS FOR AGATE BEACH WAYSIDE IMPROVEMENTS

When: Thursday, December 18, 2014

Where: Council Chambers, Newport City Hall
169 SW Coast Highway

Time: 6:00 pm

Taking into account public feedback received at the November informational meeting, the consulting firm OTAK has prepared preliminary design drawings for the various project components, including:

- Reconfiguration of the wayside to increase available parking and improve circulation
- Construction of a restroom/showers
- Extension of NW Gilbert Way to create secondary access to the area
- Sidewalk and trail improvements from the wayside to the beach to improve safety and pedestrian mobility

Please join us to learn about, or share your views on the design options. The feedback that we receive will assist OTAK in preparing final design drawings that will be presented at an open house that is planned for early March. A separate notice will be mailed announcing the date and time of that meeting.

For more information contact: Derrick Tokos, City of Newport Community Development Director, at 541-574-0626 or d.tokos@newportoregon.gov.
